Restorative Drying for Water Damage

This course is designed to provide a better understanding of the restorative drying process that takes place after a water damage loss occurs.

Please register, then submit your payment online. Once your payment is processed, you will receive a receipt via email. Instructions on how to join the course will follow.

Required: A photo ID is required by Servpro to verify attendance. You will be asked to show your ID and face for entrance to the class. Please make sure your desktop, laptop, tablet, or smart device supports a camera to share video.

Please click on the link below to REGISTER.

Please be sure to include your full name and vendor ID# for CE credit.
