Aloha Members & Corporate Partners!

On behalf of your 2019-2020 Board of Directors and Committee Champions, we are excited and eager to be part of this thriving organization! As you know, success is only possible through teamwork and collaboration, and we look forward to working with all of you to make this year the best one yet.

I would like to take this opportunity to share a three-month update.

One my goals as president encompasses the “Three E’s”: Educate, Enrich and Empower.

- **Educate** members/corporate partners of IAIP’s mission, vision and value.
- **Enrich** individuals’ skills by providing excellent educational resources.
- **Empower** insurance professionals by enabling them to advance in their careers and into leadership roles.

With that in mind, I am pleased to announce that growth of new members and corporate partners for the new term continue to increase. Our goal is to welcome 12 new members this year and we’re already off to a great start! Membership champions Rose Fielding and Sharon Viveiros of Brown & Brown Pacific Insurance recently welcomed three new members.

- Edward Keaunui, Risk Management & Insurance Coordinator, University of Hawaii
- Jodi Keliinoi, National Accounts & Consultant, HMSA
- Kyle Ray, Director of Claims, Aon Risk Services,

Our HAIP membership count as of September 1 is 73 members strong!

We also welcomed the following new corporate partners:

- Aon Risk Services, Chad Karasaki (Chairman, CEO & Resident Managing Director)
- Island Insurance Co., Ltd., Beverly Ament (President)
- National Interstate Insurance Co., Audrey Tom (Senior General Commercial Underwriting Manager)
- Sedgwick, Luanne Chun (Claims Manager)
- Servpro of Central Honolulu & Kailua, Glenna Maras (Owner)

This means we not only met, but exceeded, our goal of four new corporate partners this year!

These accomplishments and milestones would not be possible without each and every one of you. I truly appreciate your hard work, dedication and efforts to support HAIP.

Mahalo,

Martha Nobriga
President
